Professional Assistance Program of NJ will be holding our Pro-Am Charity Golf Event at the Deerwood Country Club in Westampton, NJ. A professional golfer will be assigned to the first 15 foursomes registered!

Open since April 1996, Deerwood Country Club is considered one of the premier clubs in the region. Deerwood is known for its immaculately groomed course, fine dining and friendly attentive service.

A "Carolina Style" golf course, Deerwood is as visually stunning as it is challenging. The links style course layout capitalizes on the natural beauty of adjacent wetland and wooded preserves, with a pond or preserve coming into play on a number of holes. Indigenous floral vegetation provides brilliant color on the fairway borders throughout the year. With four sets of tees, Deerwood offers challenge and enjoyable playability to various skill levels.
